The acceptance of some goods, mentioned on a bill of lading or on a delivery receipt, shall not constitute a presumption, a confirmation nor an acceptance by Énergir of the quality of such goods or of the quantity of goods delivered. Énergir's acceptance of the goods or services shall not constitute a waiver of the right to invoke any warranty and shall not release the Supplier from any obligation toward Énergir.

18. SUPPLIER'S ABILITY TO REPAIR, REPLACE OR CORRECT

The Supplier shall maintain, for a reasonable period following termination of the Contract (but under no circumstances for less than three (3) years), the ability and availability to repair and replace delivered goods and re-supply or correct services rendered and, in this regard, shall maintain the inventory, equipment and facilities and employ the personnel required to fulfill this obligation.
